Every other year Somerset PTSA hosts a dinner auction such as this, to raise money to fund various programs, events, and curriculum enhancements for the upcoming years. Given that State budgeting on K-12 education most often falls short, Somerset PTSA's contributions provide a significant resource to our School's operations. The impact can be huge! The success of Somerset Elementary relies on this strong partnership among parents, community members and local business. Decades of consistent and generous involvement generates amazing outcomes envied by many other schools within Bellevue School District. Please come join us for this wonderful evening, meet new friends and neighbors, enjoy a champagne reception, silent auction, gourmet meal and participate in the exciting live auction.
