

Dear Somerset 5th Grade Parents,
I will be working on the layout of our graduating 5th grade the Somerset Yearbook. This is a wonderful keepsake, which captures your child's memories at Somerset!

We need your help!

PHOTOGRAPHS - We need plenty of candid photographs for the variety of layouts throughout the yearbook. Please take a moment to look through your collections of digital photographs of your child during their last year at Somerset. Candid photos can be your child or with their Somerset friends during class parties, school trips, or any special events or moments at Somerset.

Please submit these photos, by March 23, 2021.

BABY PICTURE - We need a baby picture, of your child, from when they were 1 years old or younger. See box below on how to submit your pictures.

Please submit a baby photos by March 23, 2021.

When submitting your baby photo please label with child's name and age in the photo or in the email.

Here is how to submit photos:

- Email your digital photos to yearbooks.somerset@gmail.com
- At least 5 megapixels are best for these photo files. Most cell phones don't have enough megapixels.
- The files need to be at least 300ppi, scan at minimum 400-500 dpi.
- Files must be JPG, TIF, or PNG
- Professional photos are NOT acceptable.

I will review all photos and determine final yearbook content. I cannot guarantee that all submissions will be used in the book.

Thank you for your cooperation in making this possible!
