

Family Math Nights Coming in December! Mark your calendars, you will not want to miss!

Special night for kids and adults to learn and play fun math games! Jane and John Felling from *Box Cars and One-Eyed Jacks* will lead a variety of games that will build on each grade level's priority standards. Please see attached flier for more information.

The games are designed to develop mathematical fluency and build problem solving strategies. Games will require use of regular and really cool multi-sided dice, deck of cards and counters. All materials have been purchased in partnership with Somerset PTSA for EACH and EVERY Somerset student so all you have to do is swing thru the drive-thru pick up line.

Drive-thru material pick-up at Somerset on December 2nd from 11-2 or December 3rd from 2-4:30.
