Q. What are the minimum and the maximum amounts that the company will match for an employee?

A. The minimum match per eligible individual *per calendar year* is \$25, and the maximum is \$6,000 per individual or household. If both husband and wife are Boeing employees, the maximum amount per household is \$12,000.

Donations will be matched dollar-for-dollar to all eligible organizations for all eligible participants except retirees. Boeing retirees and their spouses or domestic partners donations will be matched at 50 percent (50 cents for every \$1 contributed) up to \$3,000 per year.

Q. What organizations are eligible for matching gifts?

A. The match will be made to K-12 and higher education institutions, accredited technical schools, non-profit cultural and arts organizations, including nonprofits that support land trusts and publicly owned parks. Q. Can I request matching funds any time during the year?

A. Yes. Gifts are eligible for matching up to one year from the date the gift was made. The company's matching checks will be distributed on a quarterly basis to eligible organizations.

Q. Health and human service organizations are not in the list of eligible organizations. Why aren't they included in the new program?

A. Health & human service organizations are supported significantly with The Boeing Company contributions and through Employee Community Funds of The Boeing Company.

Q. Can I use my BEMS ID on the Gift Matching form or should I use my social security number?

A. You should use your BEMS ID if you have one. If you do not have a BEMS ID, you may use the last 5 digits of your social security number.

Q. Why does the form ask for the Board of Directors and Top 5 highest paid staff of an organization?

A. This information is required per The Boeing Company compliance requirements with the Executive Order 13224, the USA-Patriot Act of 2001, the Office of Foreign Assets Control (OFAC) and the "Best Practices" document released by the Federal Department of Treasury. All either require or recommend increased due diligence in regard to "Watch Lists" or "Specially Designated Nationals (SDN) Lists". These lists have the names of companies, groups, and individuals who are connected with economic and trade sanctions based on U.S. foreign policy and national security goals targeted towards foreign countries, terrorists, international narcotics traffickers, and those engaged in activities related to the proliferation of weapons of mass destruction. All U.S. citizens and permanent resident aliens, entities within the United States, and all U.S. incorporated entities and their foreign branches are prohibited from dealing with SDNs. By following the guidelines set-forth by these Federal orders, Boeing is protecting the investments it makes in the communities where our employees have designated to receive contributions.

Q. Domestic Partners are now included as eligible participants for the gift matching program? What is the definition of a Domestic Partner?

A. Yes. Same sex Domestic Partners are eligible. The Boeing Company defines Domestic Partners as:

An individual of the same gender who lives with the employee in the same permanent residence in a permanent, exclusive, emotionally committed, and financially responsible relationship similar to a marriage. A Domestic Partner must be at least 18 years old, cannot be related to the employee by blood, cannot be married to or legally separated from another person, cannot be a domestic partner to anyone else, and cannot be in the relationship with the employee solely to obtain eligibility under the Program.

Q. How do I know if the subsidiary I work for is eligible?

A. Active employees of wholly owned subsidiaries are the only eligible gift matching participants. Please go to <http://law.whq.boeing.com/corpsec/subsidiarylist.pdf> to determine subsidiary eligibility.

Q. Does Boeing audit the program?

A. Yes. When Boeing receives credible evidence that the program rules are being violated, payments are suspended to the organization, and civil and criminal authorities are notified in appropriate circumstances.

Q. How do I find out how much I have given to the program and when my gift is matched?

A. Donors will be notified by email or letter when gifts have been made, and when gifts have been matched. Participants using the online program will have year-round visibility of their gifts.

Q. What ID number do I use to log in to the Gift Matching website?

A. Please use your BOEING employee ID (BEMS ID) number as your user ID. Your password is the last 5 digits of your social security number. Every time you log in, you will need to provide your user ID and personal password to access the site. Boeing is going to be incorporating the online program in Total Access in 2005. Until that time, you will need to sign in each time you want to make a gift or want to check on the status of your matched gift.

Q. Can retirees use the online program?

A. No, not at this time. Online program for retirees is in the works and all affected parties will be notified at that time.
