Indian Classical Music Seminar

The roots of Indian classical music are found in the ancient Vedic literature in Sanskrit language (Samaveda-C1000BCE).

The 7 notes (Saptaswaras) Sa,Ri,Ga,Ma,Pa,Da,Ni of the octave is the ancient Indian concept about the complete dimension of musical pitch. These are also equivalent of Do,Re,Mi,Fa,So,La,Ti.

Indian classical music has 2 fundamental elements, raga & tala. Raga (mode) is the melodic structure of the notes/swaras. Tala (Rhythm) is the time cycle measure.

Out of 2 major traditions of Indian classical music, the South Indian expression is called Carnatic, the performances of which are tend to be short composition based.

One variety of these short compositions are Nottuswarams, composed with Sanskrit lyrics by Muthuswami Dikshitar (18th century), who is celebrated as one among the Trinity of carnatic music. Nottuswarams are notable as an interaction between the East & the West, being based on western sources, mostly simple melodies, like Rhymes.

Our Indian classical music seminar will be hosted by [Srivalli Garimella](#). [Srivalli Garimella](#) completed her undergrad in Indian classical music-carnatic music vocal, and is currently perusing her Master degree. She also teaches music online.

Parenthood Development Talk

Please join us for our Parenthood Development talk with Somerset parent Jamie Cho on how to talk with your children about race and racism.

This conversation will center race and how to talk with children and answer their questions about racial differences and racism. Children's understanding of racial categories develop early and are influenced by the narratives offered by the adults in their lives. It is vital that

adults are having conversations with children as they try to make sense of what they are observing in their family, neighborhoods, schools, and communities. Through these conversations, families have the power to raise a generation of critical thinkers who strive for social justice and equity.

Jamie Cho is a parent educator at two cooperative preschools through Seattle Central College and Bellevue College. She holds a Ph.D. in special education from U.C. Berkeley and her research has focused on cultural beliefs around parenting. Jamie has worked previously as an early interventionist with young children with autism spectrum disorders as well as served as an educational researcher at UCLA and teacher educator at California State Universities.

This event will be held online [Mar 24th 6-7 pm](#). Please register [HERE](#) if you want to join this event.

Please consider donating the following items to help needy families in our community.

Free and Reduced-Price Lunch

Now is an Ideal Time to Sign up for Free and Reduced-Price Lunch (FRL). If you think you might be eligible for free and reduced-price lunch, but haven't yet signed up, here is the application: <https://bsd405.org/services/nutrition-services/free-reduced/>

Why the urgency now? There will likely be some government funds made available to families that have FRL status. These funds will be passed on to families to cover the cost of meals they have had to purchase while school has been conducted remotely. In addition, students with FRL status will have their ASB card and other fees waived.

If you aren't sure if you have signed up for FRL, please call BSD's Nutrition Services office at 425-456-4507 to confirm.

免費和減價午餐

現在是申請免費和減價午餐（FRL）的理想時機。如果您認為您可能有資格享受免費和減價午餐，但尚未申請，請經此網站申請：：<https://bsd405.org/services/nutrition-services/free-reduced/>

為什麼目前有緊迫性？可能會有一些政府資金提供給具有減免餐身份的家庭。這些資金將轉交給家庭以支付他們在學校網路上課期間必須購買的膳食費用。此外，具有減免餐身份的學生將免收 ASB 卡級其他費用。

如果您不確定是否已申請減免餐，請致電 學區 營養服務辦公室 425-456-4507 確認。

Almuerzo gratis y a precio reducido

Ahora es el momento ideal para inscribirse en el almuerzo gratuito y a precio reducido

(siglas FRL en inglés). Si cree que puede ser elegible para el programa de almuerzo gratuito o a precio reducido, pero aún no se ha inscrito, aquí está la solicitud: <https://bsd405.org/services/nutrition-services/free-reduced/>

¿Por qué la urgencia ahora? Es probable que se pongan a disposición algunos fondos del gobierno para las familias que tienen el estatus de FRL. Estos fondos se entregarán a las familias para cubrir el costo de las comidas que hayan tenido que comprar mientras la escuela se realiza de forma remota. Además, a los estudiantes con estatus FRL se les eximirá su tarjeta ASB y otras tarifas.

Si no está seguro de haberse inscrito en FRL, llame a la oficina de Servicios de Nutrición de BSD al 425-456-4507 para confirmar.
