All parents and guardians are required to verify their students' data each year, including preferred contact information, emergency contacts and health updates. By updating student data, the district and schools can communicate academic progress to the appropriate contacts, distribute important information as needed, contact families in

Vaccine Clinics The Pfizer vaccine has been approved for children aged five and older. BSD hosted vaccine clinics on November 5 and 6 for students, which were a great success. We have now hosted a total of 16 vaccine clinics, administering more than 7,660 shots! We will continue to work with our community vaccine partners to organize future clinics based on need.

The Pfizer COVID-19 vaccine for ages 5-11 is becoming available across King County,
