School Meals During Our Remote Start

When the Bellevue School District opens the 2020-21 school year in a remote learning model, we want to ensure that students continue to have access to the nutrition they need. The Meals2Go program, offered by our Nutrition Services team, is designed to provide grab and go breakfast and lunch options for families to access for their students. Meals2Go will begin on Wednesday, September 2. More information is available on our website.
