**Join Executive Committee of Somerset Elementary PTSA**

Calling all Somerset families, Somerset PTSA is in great need of volunteers to join the team since a large majority of our current PTSA EC members and club chairs are moving to middle school next year and/or have served in their current positions for maximum years allowed. Somerset PTSA needs more parents, new members to step in to operate smoothly.

Why is the PTSA so important to our school, our students and our parents? The PTSA is the secret ingredient which ensures that our children will continue to benefit from various enrichment programs that supplement what they are learning.

For your information, we are listing the enrichment programs and events hosted by Somerset PTSA during the 2021-22 school year in the following posters. All these programs and activities help us build a strong sense of community and enrich the minds of our young learners. We cannot imagine what the school life will be like when all these enrichment programs and events suddenly halt. Please join us to continuously make the student learning and staff teaching experience colorful.

To ensure a smooth transition and prepare for the new school year in the fall, we are recruiting volunteers for the following positions. Note that the current EC members will work together and help onboard the new volunteers.

- President
- Secretary
- VP Communication
